Livia Fluted Marble LED Wall Light

Installation Guide

In the box

1 x Livia wall light in natural marble (30 or 45 cm) with integrated warm white LED · wall bracket · wall plugs and screws

You will need

Drill, screwdriver, spirit level, pencil and wire strippers. Soft gloves or a clean cloth to handle the stone.

Important safety information

- This light must be installed by a licensed electrician, in line with AS/NZS 3000 (Wiring Rules) and local regulations.
- Turn the power off at the switchboard before installing, cleaning or servicing the light.
- Use screws and wall plugs suited to your wall (plasterboard, timber or masonry).
- Natural marble: every piece has its own veining and colour, and small natural marks are part of the stone.
- The stone is heavy and can chip: fix the bracket into solid wall or use anchors rated for the weight, and keep the light on a soft surface until it is mounted.
- For indoor use. In a bathroom, mount it only outside the wet zones: ask your electrician.
- Hardwired fitting: must be installed by a licensed electrician.

Step by step

1. **Turn off the power**
   Switch off the circuit at the switchboard and check the wall point is dead before you start.
2. **Remove the bracket**
   Undo the small brass screw and separate the marble body from its wall bracket.
3. **Fix the bracket**
   Hold the bracket upright against the wall, check it with a spirit level and mark the holes. Drill, fit the wall plugs and screw the bracket on firmly.
4. **Connect the wiring**
   Active to L, Neutral to N and Earth to the earth terminal. Check every connection is tight and insulated, then tuck the wires into the wall box.
5. **Mount the marble**
   Slide the marble body onto the bracket and refit the brass screw. Tighten gently: never force a screw against stone.
6. **Test**
   Restore the power and switch on.

Care and cleaning

Switch off and let it cool. Dust with a soft dry cloth. For marks, use a slightly damp cloth and dry straight away. Never use acidic, abrasive or bathroom cleaners on marble.
